Dear Siuslaw Families,

We are entering into the time of year when the weather is unpredictable. Adverse weather may cause a delay in the start of school, cancellation of school or early dismissal.

If any of these actions are taken, the district will make the decision as early as possible. The district will use NOAA/National Weather Service as the official source for information on weather related matters (SSD Policy EBCD). A decision to delay or cancel school will be posted on the school district website at www.siuslaw.k12.or.us, sent via School Messenger, the automated phone dialer system, or may be found at one of the broadcast stations listed below:
