

A note from Food Services:

The Food Services section has sent out cafeteria bills monthly for students who charge school meals. These bills are mailed to the current mailing address we have on file. If you have not received bills monthly, please verify or update your mailing address with the school office. If you have any questions or concerns, please contact Mark Hill at 541-997-5455 or mhill@siuslaw.k12.or.us.
